

## Larger Loans at Lower Rates on Your Terms

*We have taken our industry leading loan product and made it even better. Now more than ever, when bank financing is unavailable or time is of the essence, A•R•F is your best alternative for an unsecured working capital loan up to \$1,000,000 per location.*

### Industry Leading Rates

Our loan rates are often 20% to 30% lower than most of our competitors' rates. Lower rates mean lower financing costs, lower payments, and often higher loan amounts.

### Customize a Loan that Fits Your Needs

We offer numerous term and rate options, so you can customize a loan that fits your needs. Choose a shorter term and lower financing costs or a longer term and lower payments. It's your choice.

### Pay Off at Any Time

We know flexibility is important, so we allow you to pay off at any time and only pay for the time you used the money. The other guys won't do that.
